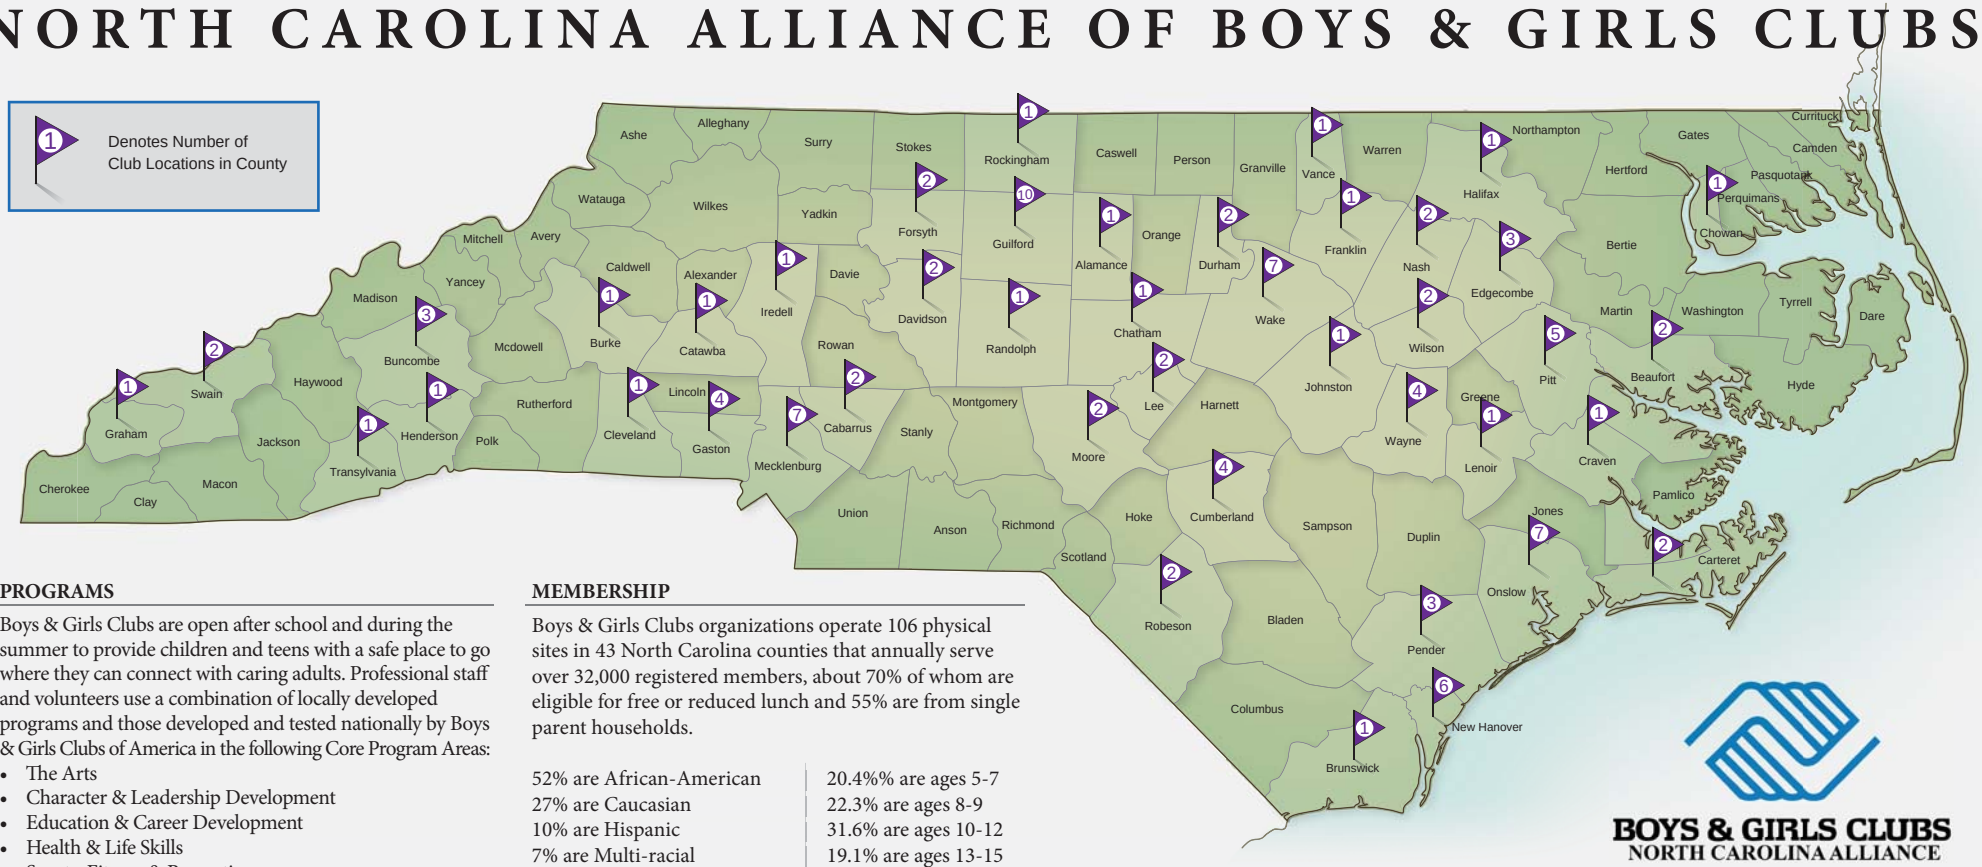
NORTH CAROLINA ALLIANCE OF BOYS & GIRLS CLUBS



PROGRAMS

Boys & Girls Clubs are open after school and during the summer to provide children and teens with a safe place to go where they can connect with caring adults. Professional staff and volunteers use a combination of locally developed programs and those developed and tested nationally by Boys & Girls Clubs of America in the following Core Program Areas:

- The Arts
- Character & Leadership Development
- Education & Career Development
- Health & Life Skills
- Sports, Fitness & Recreation

POSITIVE YOUTH DEVELOPMENT - KEY ELEMENTS

Throughout our more than 100 year history, Clubs have learned that the level of impact on young people depends on how often and how long members participate, as well as how well the Club implements five key elements:

1. A Safe, Positive Environment – Club staff, facilities, and programs create stability, consistency and a sense of physical and emotional safety for members.
2. Fun – Staff make the Club feel like home, fostering a family atmosphere and creating a sense of ownership and belonging for members.
3. Supportive Relationships – Staff actively cultivate meaningful relationships to ensure every member feels connected to one or more adults and peers.
4. Opportunities and Expectations – Club staff provide a wide-range of programming for members to learn new skills while staff establish and reinforce high expectations.
5. Recognition – Youth are encouraged and provided positive reinforcement as they make improvements and experience successes.

MEMBERSHIP

Boys & Girls Clubs organizations operate 106 physical sites in 43 North Carolina counties that annually serve over 32,000 registered members, about 70% of whom are eligible for free or reduced lunch and 55% are from single parent households.
